## Notes

- "○" indicates tabulated items and classification items applied with a number.
- The number indicates the kind of classification applied. See "List of Classified Items".
- In the case of the italic type it indicates that those items are not tabulated cross sectionally.
- "●" in the column of "Table numbers of the 2001 survey" indicates that the table is newly tabulated in the 2006 survey.
- Attached "#" indicates that the results are in the report or not.

For the results statistical tables are available in electromagnetic recording media.

#:not in the report #1:only "weekly average" in the report #2:only "weekly average", "weekday", "Saturday" and "Sunday" in the report

#3:only "total", "working" and "not working" in the report #4:only "weekday" in the report #5:only "total" in the report

#6:only "total" not in the report
