<News Highlights>

\* 2019 Economic Census for Business Frame (The number of establishments of national and local governments, etc.)

On June 30, 2020, the SBJ released the number of establishments of national and local governments and other data from the results of the 2019 Economic Census for Business Frame. The Census was conducted to clarify the basic structure of establishments and enterprises, such as their status of economic activities, on a national and regional level, and to contribute to the maintenance of the Establishment Frame Database (Business Register).

The complete tabulation on privately owned establishments will be released in December 2020.

● Overview

The number of establishments of national and local governments as of June 1, 2019, was 139,330 (down 5.7% from July 1, 2014).
