- * The boundaries of administrative areas are based on the digital data of the boundaries of administrative areas provided by Geography Department.
- * Population by commune is derived from the final results of the 1998 and 2008 Population Census. * Each commune population as of 1998 was
- adjusted to the commune territory reorganized in accordance with new sub-decree on administrative areas as of 2009.
- * Each population as of 1998 of the following communes is estimated, because census could not conducted in these places due to war: Ou Beichaon Commune of Ou Chrov District, Banteay Meanchey Province; Communes of Samlout District, Battambang Province; Communes of Veal Veaeng District, Pursat Province; Samraong Sangkat of Samraong City and Communes of Anlong Veaeng District and Trapeang Prasat District, Otdar Meanchey Province.
- * Thipakdei Commune of Moung Ruessei District in Battambang Province of 1998 has been reformed into a separate District called Koas Krala with six communes in 2008. The populations of those communes are estimated.
