

Establishment Listing in Phnom Penh, 2006

Supplement for enumerators

(Industry classification)

1. Introduction

EL2006 collects data from establishments engaging in the following economic activities as classified under the United Nations International Standard Industrial Classification of Economic Activities (ISIC), Revision 4:

- Mining & quarrying (ISIC 05-09)
- Manufacturing (ISIC 10-33)
- Electricity, gas, steam and air conditioning supply (ISIC 35)
- Water supply; sewerage, waste management and remediation activities (ISIC 36 - 39)
- Wholesale; repair of motor vehicles and motorcycles (except retail trade) (ISIC 45 - 46)
- Accommodation and Food service activity (ISIC 55 -56)

The activities above are classified as follows

Agriculture, Forestry and Fisheries	None
Industry	<ul style="list-style-type: none"> • Mining & quarrying (ISIC 05-09) • Manufacturing (ISIC 10-33) • Electricity, gas, steam and air conditioning supply (ISIC 35) • Water supply; sewerage, waste management and remediation activities (ISIC 36 - 39)
Service	<ul style="list-style-type: none"> • Wholesale; repair of motor vehicles and motorcycles (except retail trade) (ISIC 45 - 46) • Accommodation and Food service activity (ISIC 55 -56)

EL2006 does not include any activities in 'Agriculture, Forestry and Fisheries', while all the activities in 'Industry' are included. From 'Services', only 'Wholesale; repair of motor vehicles and motorcycles' and 'Accommodation and Food service activity' are included.

EL2006 does not include the following activities

Agriculture, Forestry and Fisheries	All
Industry	None
Service	<ul style="list-style-type: none"> • Retail trade • Transportation and storage • Information and communication • Finance and insurance activities • Real estate activities • Professional, scientific and technical activities • Administrative and support service activities • Public administration and defence; compulsory social security • Education • Human health and social work activities • Arts, entertainment and recreation • Other service activities • Activities of households as employers; undifferentiated goods- and services-producing activities of households for own use • Activities of extraterritorial organizations and bodies

Many activities included in EL2006 are to provide goods to other establishments (that does not sell products directly to retail consumers like retail trade establishments) , such as mine, factories, or wholesale trade. However, the following establishments are included even if they sell directly to retail consumers.

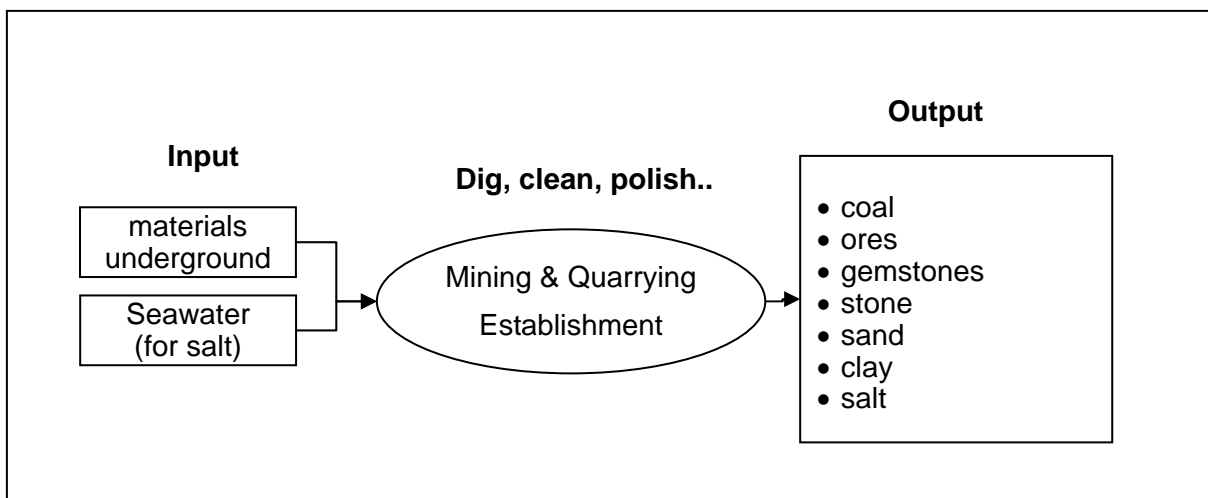

- Mining and Quarrying establishments that sell their products after mined or quarried.
- Manufacturing establishments that sell the products they manufactured such as
 - Food processing shop
 - Bakery
 - Wine producers and shop
 - Tailor shop (making clothes and dress)
 - Photocopy shop
 - Shop to reproduce CD/DVD/video
 - Shop manufacturing products, regardless of your own request or not (furniture, container, fence...)
 - All kinds of repair shop of manufactured products
 - Recycling shop
 - Electricity distributor
 - Water supplier
 - Sewerage or waste collector
 - Wholesale establishments that can sell to retail consumers
 - Hotel or guesthouse
 - Restaurants / catering shop

2. Overview of industries

2.1 Mining & quarrying

Mining and quarrying include the extraction of minerals occurring naturally as solids (coal and ores), liquids (petroleum) or gases (natural gas). Extraction can be achieved by different methods such as underground or surface mining, well operation, seabed mining etc.
