

Summary of the Results

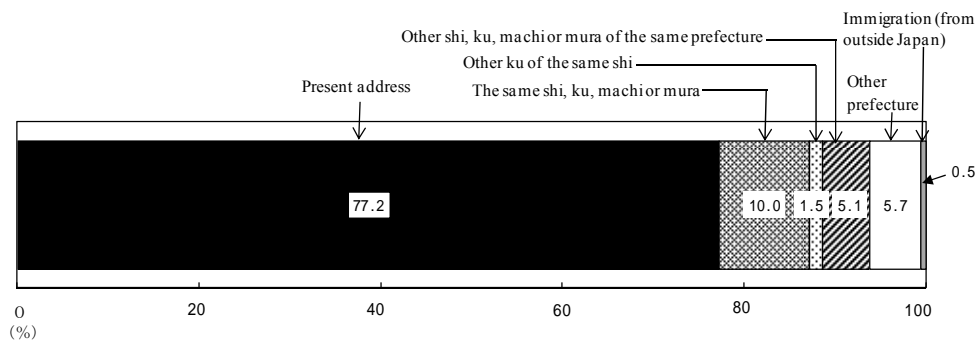

- Over 20% of the population have moved domiciles in the past five years.

Observing the rate of Population by Place of usual residence five years ago to the total population (128.057 thousand), “Other than present address (Moved population)” was 22.8%. The figure was made up of “In Japan” (other than present address) at 22.3% and “Immigration (from outside Japan)” at 0.5%. On the other hand, the percentage of the population who had lived in the same place since five years ago was 77.2%.

Examining the rate of Moved population by Place of usual residence five years ago, “The same shi, ku, machi or mura” was the highest at 10.0%, followed by “Other prefecture” at 5.7%, “Other shi, ku, machi or mura of the same prefecture” at 5.1% , “Other ku of the same shi” at 1.5% and “Immigration (from outside Japan)” at 0.5%.

Examining, meanwhile, the Moved population by sex, the moving rate was higher in men at 23.4% compared with 22.2% in women.

Figure1 Rate of the Place of usual residence five years ago - Japan:2010

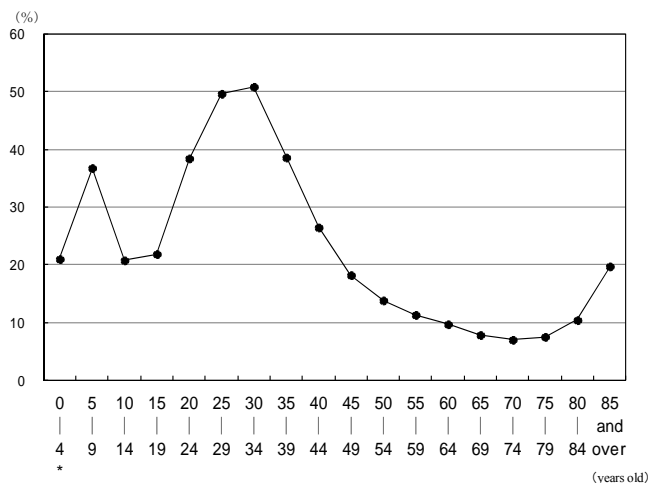

(Note) Persons under 5 years old were based on place of usual residence after birth.

- The moving rate is high in the 20's and 30's age groups.

Observing the rate of Moved population by age group, 30 to 34 age group was the highest at 50.8%, followed by 25 to 29 age group at 49.6% and 35 to 39 age group at 38.6%.

Figure2 Rate of Moved Population by age groups – Japan:2010

* Based on place of usual residence after birth for persons 0-4 years old.

Table Population by Place of usual residence five years ago,
age groups and sex – Japan:2010

Sex and age (five-year groups)	Number (thousands)									Rate (%)								
	Total 1)	Present address	Other than Present address (moved population)						Immigration (from outside Japan)	Total	Present address	Other than Present address (moved population)						
			In Japan	The same shi, ku, machi or mura	Other ku of the same shi	Other shi, ku, machi or mura of the same prefecture	Other prefecture	In Japan				The same shi, ku, machi or mura	Other ku of the same shi	Other shi, ku, machi or mura of the same prefecture	Other prefecture	Immigration (from outside Japan)
