

### **Notes on the Statistical Tables(National and Local Governments)**

1. Economic Census for Business Frame consists of two types of survey, “Privately Owned” and “National and Local Governments”.  
“National and Local Governments” survey is conducted as of June 1, every year, excluding the year in which the Economic Census for Business Activity is implemented.
2. Some of the data are shown as "-" because they lack relevant numbers. Negative values are shown as "▲".
