

## Regarding Standard Errors of Estimates (errata)

Regarding the "Sampling Method, Estimation Method, and Sampling Errors of Estimates" released on March 3, 2026, we have corrected the sampling errors of estimates (Basic Tabulation) as follows.

Furthermore, as there are errors in the sampling error included in the Labor Force Survey Annual Reports from 2012 to 2024, we have suspended publication of that data on e-Stat.

[errata]
