Correction of English Statistical Tables for the Labour Force Survey (Detailed Tabulation)

An error was found in the English statistical table formats of the Labour Force Survey (Detailed Tabulation). The correction has been made as described below, and the revised tables were posted on e-Stat at 8:30 a.m. today.

(1) Description of Correction

Among the categories for "Duration of unemployment," "1 to less than 2 years" was incorrectly stated as "1 to less than 2 months."

(2) Applicable Years

2013 to 2025 (quarterly results and annual average results)

※This also includes the statistical tables published in the Annual Report listed below.

(3) Applicable Tables

[Statistical table]

- Table I-1: "Population aged 15 years old and over by labour force status, began work for the past year, changed jobs for the past year, reason for taking a non-regular employment, reason for seeking a job, reason for leaving the previous job, duration of unemployment, kind of job sought, whether wishing to work, reason not to seek a job and age"
- Table III-4: "Unemployed person (ILO 2013) by type of household, relationship to the head of household, education, age, duration of unemployment, industry of the previous job, occupation of the previous job, reason for seeking a job, reason for leaving the previous job and reason unable to take up a job"
- Table III-5: "Unemployed person (ILO 2013) by age, type of household, relationship to the head of household, education, marital status, primary method used to seek a job, duration of unemployment, preference for employment as primary or secondary activity, and kind of job sought"
- Table III-7: "Unemployed person (ILO 2013) by age, type of household, relationship to the head of household, marital status, primary method used to seek a job, duration of unemployment and education"

[Annual Report]

- Table II-B-1: "Population aged 15 years old and over by labour force status, began work for the past year, changed jobs for the past year, reason for taking a non-regular employment, reason for seeking a job, reason for leaving the previous job, duration of unemployment, kind of job sought, whether wishing to work, reason not to seek a job and age"
- Table II-B-14: "Unemployed person (ILO 2013) by type of household, relationship to the head of household, education, age, duration of unemployment, industry of the previous job, occupation of the previous job, reason for seeking a job, reason for leaving the previous job and reason unable to take up a job"
- Table II-B-15: "Unemployed person (ILO 2013) by age, type of household, relationship to the head of household, education, marital status, primary method used to seek a job, duration of unemployment, preference for employment as primary or secondary activity and kind of job sought"
- Appendix Table 6: "English Translation of the Table Stubs"

(4) Details of Correction

(Incorrect)
