

## General Population Census of Cambodia 2008

### List of Priority Tables

| SL. No. | Table No. | Title                                                                                                                                                                                                                                            |
|---------|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|         | (i)       | A Series. General Population Tables                                                                                                                                                                                                              |
| 1.      | A1        | Population by Single Years of Age and Sex.                                                                                                                                                                                                       |
| 2.      | A2        | Population by Marital Status, 5-year Age Group and Sex.                                                                                                                                                                                          |
| 3.      | A3        | Population by Mother Tongue, 5-year Age Group and Sex.                                                                                                                                                                                           |
| 4.      | A3A       | Population by Mother Tongue (Minority Languages), 5-year Age Group and Sex.                                                                                                                                                                      |
| 5.      | A4        | Population by Religion, 5-year Age Group and Sex.                                                                                                                                                                                                |
| 6.      | A5        | Population by Relationship to Head of Household, 5-year Age Group and Sex.                                                                                                                                                                       |
| 7.      | A6        | Population by Place of Enumeration (classified by Total, Urban and Rural), Place of Birth and Sex.                                                                                                                                               |
|         | (ii)      | B Series. Literacy and Education Tables                                                                                                                                                                                                          |
| 8.      | B1        | Population aged 7 and over by Literacy in any language, Level of Education, Usual Activity Status, Age Group and Sex.<br>Note: for Commune level: Population aged 7 and over by Literacy in any language, Level of Education, Age Group and Sex. |
| 9.      | B1A       | Population aged 7 and over by Language Literacy, Age Group and Sex.                                                                                                                                                                              |
| 10.     | B2        | Population aged 5 and over Attending School/Educational Institution by Literacy, Level of Education, Age Group and Sex.                                                                                                                          |
| 11.     | B2A       | Fulltime Students aged 5 and over by Location of Schooling, Age Group and Sex.                                                                                                                                                                   |
|         | (iii)     | C Series. Economic Tables                                                                                                                                                                                                                        |
| 12.     | C1        | Population by Usual Activity Status, 5-year Age Group and Sex.                                                                                                                                                                                   |
| 13.     | C2        | Employed Persons aged 5 and over by Status in Employment, 5-year Age Group and Sex.                                                                                                                                                              |
| 14.     | C3        | Employed Persons aged 5 and over by Sector of Employment, 5-year Age Group and Sex.                                                                                                                                                              |
| 15.     | C4        | Unemployed Persons aged 5 and over by Status in last Employment, 5-year Age Group and Sex.                                                                                                                                                       |
| 16.     | C5        | Economically Active Population aged 5 and over by Secondary Economic Activity, 5-year Age Group and Sex.                                                                                                                                         |
| 17.     | C6        | Economically Inactive Population aged 5 and over by Secondary Economic Activity, 5-year Age Group and Sex.                                                                                                                                       |
| 18.     | C7        | Employed Persons aged 5 and over by Employment Status, 5-year Age Group and Sex.                                                                                                                                                                 |
| 19.     | C7A       | Employed Persons aged 5 and over by Work Place, 5-year Age Group and Sex.                                                                                                                                                                        |
| 20.     | C8        | Economically Active Population aged 5 and over by Industrial Section, Major Group of Occupation and Sex.                                                                                                                                         |
| 21.     | C9        | Economically Inactive Population aged 5 and over by Functional Categories, 5-year Age Group and Sex.                                                                                                                                             |
| 22.     | C10       | Employed Population aged 5 and over by Industrial Section, 5-year Age Group and Sex.                                                                                                                                                             |

| SL. No. | Table No. | Title                                                                                                                                          |
|---------|-----------|------------------------------------------------------------------------------------------------------------------------------------------------|
| 23.     | C11       | Employed Population aged 5 and over by Major Group of Occupation, Age Groups and Sex.                                                          |
| 24.     | C12       | Employed Population aged 5 and over by Main Status in Employment, Industry and Sex.                                                            |
| 25.     | C13       | Employed Population aged 5 and over by Main Status in Employment, Occupation and Sex.                                                          |
| 26.     | C14       | Employed Population aged 5 and over by Literacy in any language, Level of Education, Occupation and Sex.                                       |
| 27.     | C15       | Employed Females aged 5 and over by Industrial Sections and Marital Status.                                                                    |
| 28.     | C16       | Employed Females aged 5 and over by Occupational Group and Marital Status.                                                                     |
| 29.     | C17       | Employed Population aged 5 to 20 by School Attendance, Single Year of Age and Sex.                                                             |
|         | (iv)      | D Series. Migration Tables                                                                                                                     |
| 30.     | D1        | Migrants classified by Place of Last Residence, Duration of Residence in Place of Enumeration and Sex.                                         |
| 31.     | D2        | Migrants from other Provinces classified by Province of Enumeration, Province of Previous Residence, Duration of Stay and Sex.                 |
| 32.     | D3        | Migrants by Place of Last Residence, Reason for Migration, Duration of Residence and Sex.                                                      |
| 33.     | D4        | Migrants Economically Active Population aged 5 and over by Place of Last Residence, Industrial Section and Sex.                                |
| 34.     | D5        | Migrants Economically Active Population aged 5 and over by Place of Last Residence, Major Group of Occupation and Sex.                         |
| 35.     | D6        | Migrants from Place of Last Residence aged 7 and over by Educational Level, Usual Activity Status, 5-year Age Group and Sex.                   |
| 36.     | D7        | Migrants in the previous five years by 5-year Age Group and Sex.                                                                               |
|         | (v)       | E Series. Disability Tables                                                                                                                    |
| 37.     | E1        | Physically/Mentally Disabled Persons by 5-year Age Group and Sex.                                                                              |
| 38.     | E2        | Physically/Mentally Disabled Persons by Category of Disability, Marital Status and Sex.                                                        |
| 39.     | E3        | Physically/Mentally Disabled Persons (since Birth) by Literacy in any language, Level of Education, 5-year Age Group and Sex.                  |
| 40.     | E3A       | Physically/Mentally Disabled Persons (since Birth) by Category of Disability, Literacy in any Language, Level of Education and Sex.            |
| 41.     | E4        | Physically/Mentally Disabled Persons (after Birth) by Literacy in any language, Level of Education, 5-year Age Group and Sex.                  |
| 42.     | E4A       | Physically/Mentally Disabled Persons (after Birth) by Category of Disability, Literacy in any Language, Level of Education and Sex.            |
| 43.     | E5        | Physically/Mentally Disabled Persons (since Birth) by Main Activity, 5-year Age Group and Sex.                                                 |
| 44.     | E5A       | Physically/Mentally Disabled Persons (since Birth) by Category of Disability, Main Activity and Sex.                                           |
| 45.     | E6        | Physically/Mentally Disabled Persons (after Birth) by Main Activity, 5-year Age Group and Sex.                                                 |
| 46.     | E6A       | Physically/Mentally Disabled Persons (after Birth) by Category of Disability, Main Activity and Sex.                                           |
|         | (vi)      | F Series. Fertility Tables                                                                                                                     |
| 47.     | F1        | Females aged 15 to 49 bearing children during last year by 5-year Age Group, Educational level and Births during last year by Birth order.     |
| 48.     | F2        | Females aged 15 to 49 bearing children during last year by 5-year Age Group, Usual Activity Status and Births during last year by Birth order. |
| 49.     | F3        | Females aged 15 and over by Parity, Total Children Ever Born, 5-year Age Group and Educational Level.                                          |
| 50.     | F4        | Females aged 15 and over by Parity, Total Children Ever Born, 5-year Age Group and Usual Activity Status.                                      |

|---------|-----------|---------------------------------------------------------------------------------------------------------------------------|
| 51.     | F5        | Females aged 15 and over by Number of Surviving Children, 5-year Age Group and Educational level.                         |
| 52.     | F6        | Females aged 15 and over by Number of Surviving Children, 5-year Age Group and Usual Activity Status.                     |
| 53.     | F7        | Females aged 15 to 49 bearing children during last year by 5-year Age Group and Type of Assistance during Delivery.       |
|         | (vii)     | G Series. Mortality Tables                                                                                                |
| 54.     | G1        | Population, Number of Deaths in Households in the last year by broad Age Group and Sex.                                   |
| 55.     | G2        | Deaths in Households in the last year by Cause of Death, broad Age Group and Sex.                                         |
| 56.     | G3        | Maternal Deaths by Type of Assistance, Place of Death and 5-year Age Group.                                               |
|         | (viii)    | H Series. Household and Housing Amenity Tables                                                                            |
| 57.     | H1        | Buildings/Structures with Households by Type of Use.                                                                      |
| 58.     | H2        | Buildings/Structures (Residential + Partly Residential) by Predominant material of Roof, Wall and Floor.                  |
| 59.     | H3        | Households by Tenure Status of Dwelling, Household Size and Number of Rooms Occupied.                                     |
| 60.     | H4        | Households by Size of Households, Number of Economically Active Members and Sex of Head of Household                      |
| 61.     | H5        | Head of Households (aged 10 and over) by Usual Activity Status, 5-year Age Group and Sex.                                 |
| 62.     | H6        | Households by Main source of Light used and Household Size.                                                               |
| 63.     | H7        | Households by Type of Fuel used for Cooking and Household Size.                                                           |
| 64.     | H8        | Households classified by Main source of Drinking Water, Location of Source and Household Size.                            |
| 65.     | H9        | Households by Tenure Status of Dwelling and Toilet Facility Category.                                                     |
| 66.     | H10       | Households and Population (in 10,000's) by Tenure Status of Dwelling, Availability of Electric Power and Toilet Facility. |
| 67.     | H11       | Households classified by source of Drinking Water, Availability of Electric Power and Toilet Facility.                    |
| 68.     | H12       | Households by Type and Number of Assets owned.                                                                            |
| 69.     | H13       | Households by Household Size and Access to Internet.                                                                      |
| 70.     | H14       | Households and Population by Type of Household.                                                                           |

Note: The lowest level of presentation of each table is indicated below:

National level only: Tables D2 and D3

Provincial level only: Table D1

Up to district level: All other tables

Up to commune level: Tables A1, A2, A3, A3A, A4, A5, B1, C1, C10, C11, E1, E2, E3, E3A, H1 to H14

**Program of Main Publications and Electronic Products containing the results of the**  
**General Population Census of Cambodia, 2008**

\*: released

@: present publication

**National Report on Final Census Results\*** (2 Volumes in Khmer and in English)

**Provincial Report on Final Census Results**

(2 volumes in Khmer and English versions for each of 24 Provinces will be published.)

**National Profile of Statistical Tables\*** (presented in both Khmer and English)

(2 volumes consisting of Part One and Part Two will be published.)

**Provincial Profile of Statistical Tables\*** (presented in both Khmer and English)

(2 volumes consisting of Part One and Part Two for each of 24 Province will be published. Also, the statistical tables for Districts will be included in the Profiles of the relevant Province)

**Analysis of the Census Results Report**

1. Fertility and Mortality\*
2. Spatial Distribution and Growth of Population in Cambodia\*
3. Sex and Age Composition\*
4. Nuptiality
5. Disability@
6. Migration
7. Literacy and Educational Attainment\*
8. Economic Activity and Employment
9. Commuting
10. Housing and Household Amenities\*
11. Family and Households\*
12. Population Projections
13. Gender in Cambodia\*
14. Urban Development in Cambodia

**PES (Post Enumeration Survey) Report\***

**Census Organization and Administration Report**

**Statistical Maps** (Wall map in A0 size)

1. Population Distribution by Commune, Kingdom of Cambodia\*
2. Population Density by Commune, Kingdom of Cambodia\*
3. Population Growth (1998-2008) by Commune, Kingdom of Cambodia\*
4. Population Growth Rate (1998-2008) by Commune, Kingdom of Cambodia\*

**Census Atlas** (A collection of Statistical Maps in A4 size)

**Electronic Dissemination Products**

1. CD-Rom Redatam<sup>+</sup> SP Population Database\*
2. CD-Rom Table Retrieval System\*
3. CD-Rom Community Profile System\*
4. CD-Rom Mapping Database Application\*

**Annex Table 1 Number of Disabled Persons and Proportion to Total Population by Sex:  
Province and District**

| Province/District       | Population |         |         | Number of Disabled |        |         | Percentage of Disabled |       |         |
